

B in Cursive

Name: _____

Date: _____

A diagram showing the cursive letters 'B' and 'b' in blue. The uppercase 'B' has three arrows indicating the stroke order: one starting at the top left and curving down to the right, a second starting at the top left and curving down to the left, and a third starting at the top left and curving down to the right. The lowercase 'b' has two arrows: one starting at the top left and curving down to the right, and another starting at the middle left and curving down to the right.

B b
